

# *The Triple Flame Initiation*

February 13, 2010

Please join us for this Divine Activation of the Triple Flame within the heart chakra, aligned with the platinum crystalline Star of David in its placement into the entire chakra field of the body in the pattern known as the Tree of Life.

## **Initiated by Adam-El David and Karen Teesdale-David**

*These master healing channels are living embodiments of the I AM Mahatma Consciousness and the Divine Feminine Mother of all of Creation. Their unconditionally loving, compassionate and joyful presence motivates their mission, which is to assist all who seek spiritual integration to awaken to the truth and love of the Divine Being within.*

This healing system allows the Primal Codes of Being to interface and recreate order according to the Source's point of view. This is an aspect of the long time promised 5<sup>th</sup> Dimensional Light Body.

This healing system is an extension of the I AM Mahatma Spiritual Ascension Initiation.

This is a truly spiritual healing system, which heals the client by restoring the Original Light Codes of the glands, organs and body systems, which are based on the Adam/Eve Kadmon plan of Creation.

This system operates on pure heart's intention and the power of the spoken word "I AM".

It triggers the re-creation of the etheric and physical bodies through transmutation from carbon based into Crystalline Light structure.

The Triple Flame allows the physical body hologram to regenerate itself through the Light of Source.

It holds the focus necessary to remove cellular dis-ease patterns by restoring physical order.

The Triple Flame is the union of the color frequencies of True Light – golden topaz; Unconditional Love - ruby; and Divine Wisdom – sapphire blue.

This multi-dimensional healing system can be used to heal conditions of the mental, physical and etheric bodies. It allows recreation of any gland, organ or body system, which is in a state of degeneration.

It awakens and activates the heart chakra and clears out any entities, implants or interference patterns.

It heals the etheric blueprint instantly, manifesting at the physical level within 3-7 days.

The Triple Flame initiation is Monadic in nature, originating from the 9<sup>th</sup> Dimension, although it is focused as a 5<sup>th</sup> and 6<sup>th</sup> Dimensional System. The Divine Feminine Mother, Master of the 2nd Ray of the Source Council of Twelve, is the direct sponsor of this healing system. The Triple Flame is a Melchizedek Dispensation for this Aquarian Golden Age and it bridges the horizontal planes of the 5<sup>th</sup>, 7<sup>th</sup> and 9<sup>th</sup> dimensions.
